

SUDHARSON P

COMPTER SCIENCE AND ENGINEERING STUDENT

■ Career Objective

Highly motivated Computer Science student with a strong foundation in programming and analytical thinking, seeking an opportunity to leverage my skills in a challenging environment. Committed to continuous learning, innovation, and contributing to the success of the organization.

■ Projects

- **Smart Car Parking System (In Progress)** Sep 2025 – Present
Tool : HTML, CSS, JavaScript, Python / IoT Sensors
Developed an automated parking management system to monitor slot availability and guide vehicles efficiently using sensors.
- **Centralized Digital Car Rental System (In Progress)** Aug 2025 – Present
Tool : HTML, CSS, Python / Flask
Developed a centralized web-based platform for managing car rentals efficiently.
- **Sewing Machines Billing System** Feb 2026 – Present
Tools: HTML, CSS, JavaScript, PHP, MySQL
Developed a billing and inventory management system for sewing machines to handle sales, customer records, and stock efficiently.

■ Internships

- **Brainery spot Technology,Coimbatore** 2025
Duration: 15 Days
Completed training in Web Development, gaining practical knowledge of HTML, CSS, JavaScript, and basic web application development concepts.
- **Crescent Infotech,Erode** 2025
Duration: 15 Days
Completed training in Data Analytics, acquiring hands-on experience in Python programming, data analysis techniques, and developing data-driven applications.

■ Education

- **ExcelEngineering college** 2023-2027
B.E. Computer Science And Engineering
CGPA: 8.74
Saratha matric higher secondary school,Gobi 2023
12th State Board Percentage: 75.6
Saratha matric higher secondary school,Gobi 2021
10thStateBoardPercentage: Pass

■ Achievements

- Participated in technical workshops and seminars related to Computer Science.
- Actively participated in a speech competition at the school level.

⚙ TechnicalSkills

- C/C++
- Python
- HTML/CSS
- JAVA

🧩 Soft skills

- Leadership
- Adaptability
- Team work
- Problem solving

📖 Area of Interest

- Full Stack Development
- Computer Networks
- Data Analytics

📄 Certificates

- Learn AI and Gen AI Basics
learnathon'25 | Microsoft
- Python
GUVI /HCL
- Internet Of Things
NPTEL

🤝 Responsibilities

- Member of school sports team, demonstrating teamwork and discipline
- Served as Class Representative, acting as a link between students and faculty
- Managed time effectively to complete tasks within deadlines
